Exhibit 2
Stewardship Fund Project

PERMITS, LICENSES, COOPERATIVE AGREEMENTS & OTHER AGREEMENTS

Prior to the release of any Stewardship funds, the Sponsor must submit written evidence that the work under the Stewardship Agreement will comply with all applicable federal, state and local laws, as well as copies of all applicable permits, licenses, and other agreements that have been obtained.

The following are often required for projects involving waterway alteration or watershed enhancement. (See Oregon Plan for Salmon and Watersheds, A Guide to Oregon Permits Issued by State and Federal Agencies, Spring 2000 found at www.oregon.gov/OWEB/docs/pubs/permitguide.pdf.)

- Removal/Fill permit(s) from the Department of State Lands
- Water Right Permit(s)
- City or County Permit(s)
- Fill permit(s) from the Corps of Engineers

Permits or licenses are required:
(Mark the appropriate box, sign and date below.)

☐ **Yes** ☐ **No**

_____ _____
Sponsor Signature Date

In addition, prior to the release of any Stewardship funds the Sponsor must submit Cooperative/ Landowner Agreement(s). A Cooperative/Landowner Agreement form is attached to the Stewardship Fund appplication and is available from Cascade Pacific RC&D. Such Agreement(s), shall include (but are not limited to):

- Landowner's certification that they own the land where the work will be carried out;
- Landowner's agreement to allow Sponsor to carry out the work, or a portion of the work on the Landowner's property;
- Landowner's agreement to allow maintenance of the work over a time period consistent with the project application;
- Landowner's agreement to allow the Cascade Pacific RC&D, USFS and its representatives access to the site where the work is being carried out for inspection and evaluation;
- Landowner's acknowledgment that information relating to the work is a public record;
- Landowner's signature acknowledging that they have read the grant agreement between CPRCD and the Sponsor.
